Your Guitar Amp project (kit, repair or mod) : ________________________

The AWA Educational Institute 2024 Vacuum Tube Guitar Amp classes will be held on Saturday 6/29, 7/13, 7/27, 8/3, 8/17, 9/7 and 9/14 from 9AM to 1PM at the Antique Wireless Museum, 6925 Route 5, Bloomfield, NY. The cost for the seven classes is $260 payable in advance. Registration includes a one-year membership in AWA (a $35 value). Payments are non-refundable.

The registrant is also required to have a tube guitar amplifier kit or a restoration project of their choice in hand before June 29th (be aware of potentially long lead times on kits). AWA does sell a Guitar Amp PCB based on the '48 Fender – all parts for this kit need to be procured, list is provided. Additional suggested kits include:

MODkitsdiy.com  Reverb.com  Triodestore.com
Mojotone.com  TedWeber.com  Stewmac.com

Class size is limited to the first eight registrants. To reserve a spot, please either email this form to LIBIFI@AntiqueWireless.org or mail your form to arrive no later than June 1. If mailing, send to:

Patrick Welch
283 W High St
Geneva, NY 14456

Payment can be made by PayPal (preferred) to StanWM3D@yahoo.com (this PayPal address belongs to AWA) or by check payable to Antique Wireless Association. Checks should be mailed to the address above. Your seat will be confirmed upon payment receipt.

Please email any questions to: LIBIFI@AntiqueWireless.org
