AWA Educational Institute classes will be held on Saturdays: April 6, 13, 27, May 11, 18, June 8 and 15, 2024 from 9AM to 1PM at the Antique Wireless Museum, 6925 Route 5, Bloomfield, NY. The cost of the seven classes is $260 payable in advance. Registration includes a one-year membership in the AWA Museum (a $35 value). Payments are non-refundable.

Students will need to bring an All-American 5 tube radio of their own to repair and the necessary repair parts. Please email your radio model info to us by mid-March. Alternatively, AWA can sell or loan an AA5 for you to work on. Students must provide their own tools including soldering equipment.

In order to facilitate individual hands-on attention, class size is limited to the first eight registrants. To reserve a spot, please make payment and mail registration form no later than March 15 to:

    Patrick Welch
    283 W High St
    Geneva, NY 14456

Payment can be made by PayPal (preferred) to StanWM3D@yahoo.com (this PayPal address belongs to AWA) or by check payable to Antique Wireless Association. Checks should be mailed to the address above. Your seat will be confirmed upon payment receipt.

Please email any questions to: LIBIFI@AntiqueWireless.org
